Processional Exeunt

"The sun always seems brighter after days and days of rain. The joy and beauty of life mean even more after experiencing the pain of sadness. When you care enough to know true and profound sadness, it's a positive affirmation of life that has no equal."
-Ralph Marston, writer

"All it takes is faith and trust."
-Peter Pan

"True hope dwells on the possible, even when life seems to be a plot written by someone who wants to see how much adversity we can overcome. True hope responds to the real world, to real life; it is an active sport."
-Walter Anderson, Journalist

"Optimism is the faith that leads to achievement. Nothing can be done without hope and confidence."
-Helen Keller

"You gain strength, courage and confidence by every experience in which you really stop to look fear in the face. You must do the thing which you think you cannot do."
-Eleanor Roosevelt

"Let us rise up tonight with greater readiness. Let us stand with a greater determination. And let us move on in these powerful days, these days of challenge, to make America what it ought to be."
-Martin Luther King, Jr.

"Progress is the activity of today and the assurance of tomorrow."
-Ralph Waldo Emerson

"Hope is the thing with feathers - that perches in the soul - and sings the tune without the words - and never stops - at - all - -"
-Emily Dickinson

"LET THERE BE PEACE ON EARTH"

(Let It Begin With Me)

By Sy Miller and Jill Jackson

Let there be peace on earth
And let it begin with me;
Let there be peace on earth,
The peace that was meant to be.

With God as our Father,
Brothers all are we.
Let me walk with my brother
In perfect harmony.

Let peace begin with me,
Let this be the moment now.
With ev'ry step I take,
Let this be my solemn vow:

To take each moment and live each moment
In peace eternally.
Let there be peace on earth
And let it begin with me.
